An ISO 9001:2015 Certified Company

Legend Hide under the West Bengal
Private Security Agencies Regulation 2007

ABOUT US :-

LEGEND HIDE is one of the trusted Kolkata based security organization in Eastern India. We are dedicated to supply professional Guarding services to the Corporate, industrial, Banking, Retail, Shopping Mall, Hotels Construction, Residential, School, Colleges & others Govt. & Private sectors.

Management :

The firm is professionally managed by a group of Retired Army, Air Force, Naval Police officers and Trained civilians. The management team has a wealth of experience that the professionals have gained in Security and personnel management, which is backed up by an on going commitment to further ensuring the highest standards of advice and service are passed on the client.

Our Strengths :

We have been a preferred choice of our clients owing to the following reasons:

- Wide range of guarding services
- Competitive charges
- Well trained and authorized professionals
- Ethical business practices
- Excellent track record

Security Services :

We provide Security Services for our clients across the country. Our services in this range include both armed and unarmed guard as per requirements. These guards are fully aware of every security measures regarding safety of the secured premises or assets.

Training :

LEGEND HIDE has its own training centres at KOLKATA (W.B). We consider training as the backbone of our services. Seemingly simple, guarding duties demand the security guard to be able to master various skills and knowledge parameters, which are the most important ingredients for an efficient services.

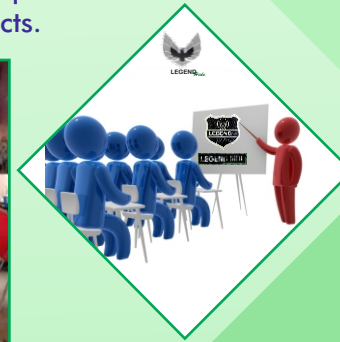

We put a lot of emphasis on Code of Ethics and attitude building. A fully trained training team comprising of ex-defence officers & junior commissioned officers impart training to our personnel.

Why focus on Training?

We remain most concerned towards your needs and requirements, with the view to enable your staffers work peacefully in a fear-free, relaxed atmosphere, focusing their entire concentration on their respective core tasks.

We at Front line recognize the fact that the change is inevitable. the trends of committing the crime are fast changing, hence the strategies of combating the crime needs to evolve as well. We therefore are constantly on the mission to study and apply the latest means and procedures in-order to keep our clients safe and secure. Our training schedules enable us to keep track on the prevalent developments and helps in implementation of modern techniques in terms of security and other aspects.

Why us?

- Alert and well trained personnel
- Security, any time, any where
- Customized security solutions
- Day/Night Patrolling by the Site Supervisor/ Field Officer/ Operation Manager
- Cost-effective Services
